Yes, I will take the 20K offer.

Great!!

I want to confirm that after our conversation today you are keeping your American Express® Gold Card account open. You can earn 20,000 Membership Rewards® points after you spend \$2,000 or more in eligible purchases on your Card within 3 months of accepting this offer, starting today. The 20,000 Membership Rewards® points will be credited to your account 8 to 12 weeks after the purchase requirement has been met. Your account must not be past due or cancelled at the time of fulfillment of any offers.

Purchases may fall outside of the 3 month period in some cases, such as a delay in merchants submitting transactions to us or if the purchase date differs from the date you made the transaction. If this happens these purchases will not be counted toward your eligibility for this offer.

Eligible purchases are purchases for goods and services minus returns and other credits. Eligible purchases do NOT include fees or interest charges, purchases of travelers checks, purchases or reloading of prepaid cards, purchases of gift cards, person-to-person payments, or purchases of other cash equivalents.

Terms and Conditions for the Membership Rewards® program apply. Visit [membershiprewards.com](#) for more information. Participating merchants and available rewards are subject to change without notice.
